

AIN SHAMS *Plast* mini Instructional **CME** Courses

Lymphedema

& Lymphatic Malformations

Joint meeting with

ESPRS Lymphedema Chapter

Ain Shams University Hospital Auditorium

Thursday 18 April 2024 09:00 AM

Session I

- 09:00-09:10** **Welcome, Introduction & Basic Science**
Prof. Amr Magdy & Prof. A Tarek Atta
- 09:10-09:30** **Overview of Anatomy of Lymphatic System**
Dr. Hala Abd Razik & Rising Stars, Ain Shams University
- 09:30-09:50** **Function & Physiology of Lymphatic System**
Dr. M Gomaa, Ain Shams University
- 09:50-10:10** **Pathology of Extremity & Genital Lymphedema**
Dr. Andro Adel & Rising Stars, Ain Shams University
- 10:10-10:30** **Lymphatic Malformations**
Prof. Karim Massoud, Ain Shams University
- 10:30-10:45** **Lymphatic Malformations of the Head and Neck**
Prof. Amr Abdelhamid AbouZeid, Pediatric Surgery, Ain Shams University
- 10:45-11:00** **Cystic Hygroma**
Prof. Hany Emad, Pediatric Surgery, Ain Shams University

Session II

Imaging of Lymphatic System

11:00-11:20

Overview on Imaging of Lymphatic System

Prof. Ahmed Tarek Atta, Cairo University

11:20-11:40

Use of High Frequency Ultrasound Imaging in Breast Censer Related Lymphedema BCRL

Prof. Ashraf Aboulfotouh, Cairo University

11:40-12:00

Applications of Near-Infrared Imaging in Lymphedema (ICG Lymphography)

Dr Usama Abdelfattah, Al-Azhar University

Session III

Conservative Therapy

12:00-12:15

Role of Complete Decongestive Therapy CDT in Management of Lymphedema

Dr. Eatmad Allam, Physiotherapy

12:15-12:30

Pressure Garments: Types and Specifications

Company Presentation

12:30-13:00

Coffee Break

Session IV

Surgical Management of Lymphedema

- 13:00-13:30** **Surgical Excision in Management of Lymphedema**
Prof. Ikram Seif, Ain Shams University
- 13:30-13:50** **Personal Approach for Scrotal Lymphedema**
Prof. Ahmed Tarek Atta, Cairo University
- 13:50-14:20** **Role of Liposuction in Lymphedema**
Prof. Ahmed Tarek Atta, Cairo University
- 14:20-14:40** **Strategy of Management of BCRL**
Dr. Usama Abdelfattah, Al-Azhar University
- 14:40-15:00** **Vascularized Lymph Node Transfer in Management of Lymphedema**
Prof. Tarek Amer, Cairo University
- 15:00-15:20** **LVA in Management of Lymphedema**
Prof. Ahmed Gad, Ain Shams University
- 15:20-15:40** **The Novel Use of Free Medial Sural Artery Perforator Flap MSAP Flap as A Vascularized Lymphatic Vessel Transfer VLVT in BCRL**
Prof. Ashraf Aboulfotouh, Cairo University
- 15:40-16:00** **Management of Posttraumatic Extremity Lymphedema**
Dr. Usama Abdelfattah, Al-Azhar University
- 16:00-16:20** **Lymphatic Flaps**
Traek Eldahsoury, UK
- 16:20** **Adjorn**
